LOCAL PHARMACY INFORMATION

Please enter the pharmacy's name, address and phone number in the box below:

Patients with no insurance: Payment is expected at the time of service. A specific payment plan acceptable to both you and the office may be arranged.

Patients with insurance: Deductibles and all co-insurances are expected at the time of service. Your co-insurance is not covered by your insurance and is not always an exact percentage. You will be sent a statement showing both your account balance and your anticipated responsibility. If a patient's balance remains unpaid for more than 90 days, the patient's account may be turned over to an attorney/collection agency for collections. If your account is sent to collections, you will be responsible for all collection fees generated.

INSURANCE POLICY

We extend to our patients the courtesy of allowing you to assign your insurance benefits directly to our office. This policy may reduce your out-of-pocket expense.

Please note the following:

- 1. The privilege of insurance assignment begins when your insurance is qualified and the insurance forms received. Until that time you must pay for all services rendered.**
- 2. All deductibles must be made prior to submitting your insurance claims.**
- 3. Since we do not own your insurance policy, we are limited in our efforts to collect from your insurance company. We expect that you act on your own behalf with your insurance carrier. Frequent calls on the status of your claim often help speed up this process.**
- 4. Due to the recent changes in our status with most insurance companies, it will be your responsibility to turn over to our office any checks and related explanations of benefits that your insurance company issues to you for services rendered with Professional Orthopaedic Associates in a timely manner.**
- 5. It is our goal of this office to provide you with the finest quality of care available. If you have any questions regarding your healthcare or any of our office policies, please do not hesitate to let us know.**
- 6. If it becomes necessary to utilize a collection agency due to nonpayment of your bill, you will be responsible for all fees charged by that agency as well as your balance.**
